### NONCOMPLIANCE SUMMARY

I allege Brian Warnock has violated conditions of supervision by:

Violation Number	Nature of Noncompliance
1.	Consuming methamphetamine, on or about December 8, 2024, in violation of a special condition of supervised release
2.	Failing to report for urinalysis testing, on or about December 9, 2024, in violation of a special condition of supervised release.

#### *United States Probation Officer Action:*

On December 9, 2024, Mr. Warnock failed to report for urinalysis testing. On that same date Mr. Warnock reached out to me and said he “messed up” by consuming drugs with his “neighbors brother” because he was stressed, unemployed, and had a moment of weakness. Mr. Warnock admitted to smoking methamphetamine. For some reason Mr. Warnock thought he was going straight to jail after admitting to his drug use, I informed Mr. Warnock that is not the case in this situation. As a result of testing positive he was verbally reprimanded, instructed to complete a substance use evaluation (currently scheduled for January 30, 2025) and his testing will remain at an elevated level until he can demonstrate continued sobriety. Since his positive test result Mr. Warnock has provided two negative urinalysis tests, although it should be noted the second test was dilute. Additionally, he was recently hired at a boat shop near his house that is within walking distance as he is still fighting a municipal court case that is holding up his driver’s license.

Mr. Warnock continues to reside with his family in pro-social housing. He is respectful and communicative during our interactions. I have warned him if he continues to sporadically use drugs or develops patterns of missing urinalysis tests we will have to go before Your Honor.

Of note, since Mr. Warnock’s release he has reported to me that people who are “affiliated” with individuals currently housed at the SeaTac Federal Detention center have stopped by his house or he has seen them in the area. Mr. Warnock is concerned for his safety and for a few weeks he debated moving elsewhere or requesting placement at the federal halfway house. For now, Mr. Warnock has decided to stay at his current residence.

I consulted with Assistant United States Attorney Cecelia Gregson, and she concurs with my recommendation.
